BSAC Best Paper and Poster Awards for Fall 2014

More than 160 BSAC researchers presented their work in poster or plenary sessions at the Fall 2014 BSAC Research Review September 17-19.

More than 70 attending industrial members from 36 member organizations voted for the best presentations and posters, resulting in Best Paper and Best Poster awards (certificate and cash).

Links to *public abstracts* and *secured project reports* on the BSAC website are provided below.

BSAC Best Paper
Ofer Rozen
Advisor: Prof. David A. Horsley
[AlN PMUTs with Reduced Stress Sensitivity](#)
[BPN466]

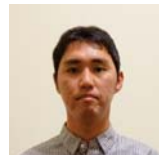

Best Presenter
Hao-Yen Tang
Advisor Prof. Bernhard E. Boser
[Miniature Ultrasonic Imaging System for Health Care and Fitness](#)
[BPN722]

Best Presenter
Roseanne Warren
Advisor Prof. Liwei Lin
[High Performance Supercapacitors](#)
[BPN736]

BSAC Best Poster Awards Fall 2014

Hossain M. Fahad, Hiroshi Shiraki
Advisor Prof. Ali Javey
[Chemical Sensitive Field Effect Transistor \(CS-FET\)](#) [BPN770]

Yipeng Lu, Stephanie Fung, Hao-Yen Tang,
Advisors David A. Horsley
[Novel Ultrasonic Fingerprint Sensor Based on High-Frequency Piezoelectric Micromachined Ultrasonic Transducers \(PMUTs\)](#)
[BPN628]

BSAC Best Paper and Poster Awards for Spring 2014

More than 170 BSAC researchers presented their work in poster or plenary sessions at the Spring 2014 BSAC Research Review March 5-6.

More than 50 attending industrial members from 36 member organizations voted for the best presentations and posters, resulting in Best Paper and Best Poster awards (certificate and cash).

Links to *public abstracts* and *secured project reports* on the BSAC website are provided below.
